

## ANNUAL SCHOOL REPORT (Session 2025–26)

It gives us immense pleasure to present the Annual Report of SSDPS Geeta Colony highlighting the achievements, activities, and progress of the school during the academic session 2025–26. The school continued its commitment towards academic excellence, discipline, moral values, and overall personality development of students. With the cooperation of dedicated teachers, supportive parents, and hardworking students, the school achieved remarkable success in various fields.

### Academic Activities

Regular classes were conducted smoothly throughout the session. Unit Tests, Half-Yearly Examinations, and Annual Examinations were organized successfully. Special attention was given to weak students through remedial classes and doubt-clearing sessions.

### Co-Curricular Activities

Various co-curricular activities were organized to encourage confidence and creativity among students. These included:

Drawing and painting competitions

Dance and music performances

Science and craft exhibitions

Sports activities and games

Yoga and meditation sessions

Students actively participated in all activities with great enthusiasm.

### Celebrations and Events

The school celebrated many important days and festivals including:

Independence Day

Republic Day

Teachers' Day

Children's Day

Labour Day

Mother's Day

Annual Function

Morning assemblies were conducted regularly to develop communication skills, confidence, and moral values among students.

### Summer Camp

A summer camp was organized during summer vacations where students participated in activities like dance, yoga, cooking, communication skills, art and craft, pool party, movie time, and painting activities. The camp helped students improve their skills and confidence.

### Discipline and Values

The school maintained discipline and encouraged students to follow punctuality, cleanliness, honesty, and respect for elders. Moral education was given importance to build responsible citizens.

### Parent-Teacher Meetings

Regular PTMs were conducted to discuss students' academic performance, behavior, and overall development. Parents' cooperation played an important role in students' progress.

### Conclusion

The school is continuously striving for excellence in education and holistic development of students. We express our heartfelt gratitude to the management, teachers, parents, and students for their constant support and cooperation.

We look forward to achieving greater success in the coming years.
